

Trike Race Rides Again!

Dear Hoosier Lions,

Once again the time is approaching for our Brian's Trike Race, **Sunday, October 4th**, an event held each year at the Indiana School for the Blind and Visually Impaired and hosted by our newest state project, the Indiana Lions for the ISBVI. This is one of those rare Lions occasions where we are doing a service project (providing community service hours to high school students) and earning money to fund some of our Lions activities at the ISBVI. And, **we have a lot of fun!** This is named a "trike race" because it's a race of teams on adult-sized tricycles. If nothing else, you should come to our event and enjoy watching big people riding around a circle 8 (almost) track on tricycles! We're asking Lions Clubs to provide 4-person teams, whether from their own club or their local high school, for the nominal price of \$50. What a bargain! You spend 4 hours at the cost of \$12.50/person and also receive a free commemorative t-shirt.

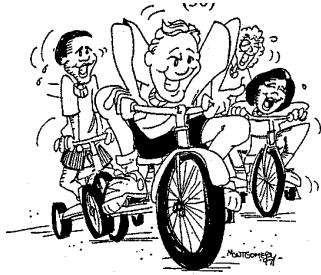

For those Lions (or their businesses) and Lions Clubs that would like to contribute more, we offer **Silver Sponsorship for \$100** and **Gold Sponsorship for \$200**. Still a great deal, even in today's economy, especially since our Indiana Lions for the ISBVI is now a 501(c)3 and this donation is tax deductible.

Over the years, the Trike Race funds have helped to provide athletic equipment, a special playground, computers with assistive technology, and many other items at the School.

So, have fun, make a contribution, and support this Lions project that helps blind and visually impaired children in Indiana.
